Confidentiality

All information you give to HSD is confidential. This information will be given to HSD employees who need it to manage the programs for which you have applied. Confidential information may also be released to other federal and state agencies. All information will be used to determine eligibility and/or to provide services. (Revised 07/15/14)

This information may be given to other Federal and State agencies for official examination, and to law enforcement officials for the purpose of picking up persons fleeing to avoid the law. If you get benefits that you were not eligible for and have to pay them back, this is called a claim. If your household gets a claim against it, the information on this application including all Social Security Numbers, may be given to Federal and State agencies, as well as private claims collection agencies for claims collection action. You only have to give U.S. Citizenship and Social Security Numbers for those household members that you are applying for. You do not need to be a U.S. Citizen to apply.

Receiving SNAP/food, energy or medical assistance will not prevent you from becoming a lawful permanent resident or U.S. Citizen. Non-citizen immigrants not requesting assistance for themselves, do not need to give immigration status information, Social Security Numbers, or other similar proofs; however, they must give proof of income and things they own because part of their income and things they own may count towards the household's eligibility for assistance. Certain benefits may be available for people without a Social Security Number; ask ISD.

We also check with other agencies, the federal Income and Eligibility Verification Service (IEVS) and The Public Assistance Reporting Information System (PARIS) about the information that you give us. This information may affect your household eligibility and benefit amount.

YOUR RIGHT TO A FAIR HEARING

What is a Fair Hearing and why should I ask for one?

A Fair Hearing gives you the chance to explain why you think there has been a wrong decision made about your benefits. Hearings are held over the phone with a hearing officer. The hearing officer will hear information from you and from the Income Support Division and decide whether the decision was right or wrong.

Can I get help with my hearing?

You can have a friend or family member participate in the hearing with you. You may also be able to get free legal help. To learn more about free legal help, call Law Access New Mexico at (800) 340-9771.

How long do I have to ask for a hearing?

You must request a hearing within **90 days** from the date of the adverse action you are appealing. You may be able to get more time to ask for a hearing if you have a good reason, like illness or another circumstance beyond your control.

Can I keep my benefits if I request a hearing?

If you are already getting benefits, you may be able to continue receiving benefits while you wait for your hearing if you request your hearing within **13 days** of the adverse action date. If the hearing decision is not in your favor, you may have to pay back the benefits you received while waiting for your hearing.

How do I ask for a hearing?

You can request a hearing by filling out the form on the other side of this form and mailing or faxing it to:

Human Services Department - Fair Hearings Bureau
P.O. Box 2348
